CHOQUEQUIRAO 4D/3N

1st. DAY.- CUSCO / CACHORA / CHIKISKA / SANTA ROSA:

After the picking up from the hotel very early in the morning we'll start the travel by bus to Curawasi pass (3600 m.a.s.l.), after continuing to Cachora town. In Cachora we'll meet our muleteers to start the trekking for about 4 hours looking by the way the high Apurimac Canyon, lunch on the way and we will see the mystical Padreyoc snowy mountain.

After the lunch we'll continue of our trekking, we'll walk down to the Apurimac River this is the deepest site of the canyon, we'll have a beautiful viewing of mountains, snowy mountains and the beautiful semi tropical dry valley on the left site. After that we'll cross a bridge to walking up for about two hours. Our campsite is Santa rosa, place where we'll spend our first night, place where we could see how is made the traditional Cañaso.

2rd. DAY.- SANTA ROSA / CHOQUEQUIRAO:

After the breakfast we'll keep our trekking, we'll walk up for about 3 hours to get Sunchupata. Place where we could see Choquequirao. Keep Continuing walking to get Choquequirao. We'll visit Choquequirao with a professional guide who will explain us all about this magical place. We'll spend the night in Choquequirao. If we are lucky maybe some condors could be looked.

3th. DAY.- CHOQUEQUIRAO / CHIKISKA:

After have the breakfast we'll continue visiting the archeological site of Choquequirao, this day we'll start the return by walking down for about 6 hours by the same way that we walked to get Choquequirao. Ass to days ago the campsite will be Chikiska, so we could take a relaxing bath in the river.

4th. DAY.- CHIKISKA / CACHORA / CUSCO:

After have the breakfast we'll walk up for about 4 hours to get Cachora, in the way we could see to much beautiful kinds of native plants. In Cachora we'll take the bus to return to Cusco.
